Dear Faith Based Community,

The city government cannot do this work alone – it's going to take all of us from across the city to work together to deliver on our goal housing 1,000 Denverites. I'm proud to invite all faith communities to join our work by committing to pray for its success, learning more about the needs of our neighbors, and volunteering to support this initiative.

I'd like to share my gratitude with all of you in this effort. It is astounding what we can do when we support each other to make a difference in our city and create a truly vibrant Denver.

Sincerely,
Mayor Johnston
